

“Keeping your
home comfortable
can be affordable.”

—Zoe, Your Good Energy Guide

With the **Home Performance with ENERGY STAR[®] Moderate Income Offering**, you may qualify for up to \$10,000 in rebates for energy-saving home improvements that can help lower your energy costs by up to 20%.* **Boost that to up to \$15,000** with eligible electrification improvements.

These upgrades may include:

Air sealing
and insulation

A new electric
water heater

A new electric
heating and
cooling system

Four Steps to Low-Cost Improvements

1. Find out if you qualify and then schedule your no-cost assessment

2. We'll check out your home and may even install no-cost energy-saving products

3. Review your custom energy report and plan your upgrades with your contractor

4. Move forward with your improvements and collect rebates up to \$15,000

Energy efficiency upgrades shouldn't feel out of reach. Find out if you're eligible by scanning the code or calling **866-353-5798**.
