pepco(SM)
AN EXELON COMPANY

Welcome to your
Smart Home Kit

Thank you for enrolling in the Pepco Smart Home Program, designed to help you save energy and money all year long. The products in this Smart Home Kit will help you reduce energy use and make everyday household tasks more convenient.
Once everything is connected, you'll be able to:

- Monitor and control lighting, home appliances, and other devices remotely
- Receive notifications from the app, with energy-saving tips
- Save energy and money by using automated smart home rules

Your energy-saving devices

1. **Gateway Hub**
2. **Entry Sensors**
2. **Smart Plugs**
3. **Motion Sensors**

EmPOWER MARYLAND

Offer valid for Pepco residential customers in Maryland only.
This program supports the EmPOWER Maryland Energy Efficiency Act.

Let's get you set up

1. Download the app

1. Open the App Store for iOS or the Google Play Store for Android
2. Search for **Pepco Smart Home**
3. Install the app

2. Create an account

In the app, select Get Started and enter your information.

This account login is different from your Pepco online account login.

3. Connect and install your smart devices

1. In the app, select Add Devices, or the "+" in the top right corner
2. Choose the device to connect, starting with the Gateway
3. Follow the step-by-step instructions in the app

Need help? Click the information icon in the lower right corner of the app for tips.
