

A front-end cloning feature is now available for all Pepco Energy Savings for Business programs. This will simplify the application process by allowing applicants to duplicate existing applications in the Online Portal.

Step 1

On the **Online Portal** home page, click the **“My Applications”** link underneath **“Quick Actions”** in the upper left section.

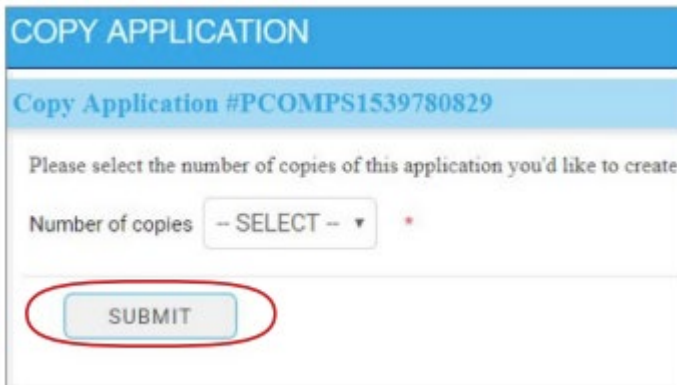

- On the following page, identify the application that needs to be cloned, and click the **“Copy”** link.

Program	Projectname	Contact	Project #	Created	Status	Action
C&I BUILDING TUNE-UP - O&M TRAINING	CLONING TEST PROJECT	LACKAY, MEGAN 7125 THOMAS EDISON DRIVE	PCOMPS1539780829	NOV-6 2018 11:12AM	TECHNICAL REVIEW	[View] [Copy]

Step 2

On the next window, please select the number of copies to be created, and click the **“Submit”** button to save.

Step 3

On the next window, the following options are available for updating or selection. The adjustments made in this section will be reflected in the cloned application(s).

- Premise Contact Information
 - First name, last name, project name, address
 - **To keep premise information the same as in the original application, do not change the existing fields.**
- Option to Copy Equipment
 - To copy over equipment, select both the **“Copy Equipment”** and **“Yes”** checkboxes.
 - Once all updates and/or selections have been made, click the **“Submit”** button.

New Premise Address (Work Location) Information						Additional Item Information
#	First Name	Last Name	Address			
1	<input type="text" value="Megan"/>	<input type="text" value="Lackay"/>	<input type="text" value="7125 Thomas Edison Drive"/>			<input checked="" type="checkbox"/> Copy Equipment
	<input type="text" value="Megan.Lackay@icfi.com"/>		<input type="text" value="Suite 100"/>			<input checked="" type="checkbox"/> Yes
	<input type="text" value="Cloning Test Project 123"/>		<input type="text" value="Columbia"/>	<input type="text" value="MD"/>	<input type="text" value="21046"/>	
<input type="button" value="SUBMIT"/>						

- If a new project name is not given before the new application is submitted for review, the **“Project Name”** field will be blank.

Once the original application is cloned, the new application(s) will appear in the “**My Submitted Applications**” page.

- An automated welcome email will be sent to all contacts listed on each cloned application, confirming that Pepco has received it.
- Upload Documentation
 - New documentation must be uploaded to the cloned application(s) within the Online Portal.
 - Documents cannot be copied over from the original application.

Once the cloned application has been submitted, ICF staff will perform a technical review.
