

REDUCE ENERGY COSTS AND IMPROVE HOME COMFORT

Find the Program That Fits Your Home's Needs

	Quick Home Energy Check-up	Home Performance with ENERGY STAR®
Tell Us About Your Home		
I am a Pepco customer	X	X
I live in a single-family home, mobile home, or townhouse	X	X
I live in a condominium or apartment	X	
What You Can Expect		
Potential Annual Energy Savings	5% or more	20% or more
Cost	No cost	\$100 (a \$400 value)*
Appointment Time	Approximately 1 hour	Approximately 3 hours
In-Home Assessment	Visual inspection/walk-through with an Energy Analyst	In-depth Home Energy Assessment by a Participating Contractor that includes diagnostic tests, such as a blower door test to determine your home's air leakage, and combustion safety checks to detect possible carbon monoxide and natural gas leaks
Customized Report	Energy report containing tips and suggestions for how to improve your home's energy efficiency	Highly detailed energy report that includes specific recommendations for home upgrades to improve air leakage, insulation, HVAC equipment, and more
Direct Measures Installed	With your approval, you'll get energy-saving products installed at no cost, including LED bulbs, smart power strips, and more	
Rebate Offers for Upgrades	N/A	Up to \$7,500 if you complete home upgrades with a Participating Contractor
*The \$100 offer is valid for homes up to 3,000 square feet with a single combustion appliance zone. Energy assessments of larger homes or ones with multiple combustion appliance zones may cost more. Customers should discuss the cost with their selected Participating Contractor.		

How to Get Started

- To schedule your Quick Home Energy Check-up, visit pepco.com/QuickHome.
 - To participate in the Home Performance with ENERGY STAR Program, find a Participating Contractor in your area at pepco.com/homes.
- If you would like to speak to someone who can help you understand the benefits of either program, call **1-866-353-5798**.

Offer valid for Pepco residential customers in Maryland only. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to pepco.com/SaveEnergy.
